

Youth Triathlon Team

A high performance team as certified by USA Triathlon

We are a triathlon team designed to foster excitement and growth for youth toward the sport of triathlon. We have athletes as young as 10 years old through 19 years old. We are designed to challenge all abilities including the first timers through the highest elite level competitors.

Peak Multisport practices year round with an emphasis on dry land training. Development in the pool is best achieved through local swim clubs and we recommend Pikes Peak Athletics as the premier swim club in Colorado Springs. While most of the swim training is held through swim clubs, occasional practices and open water swims are held periodically throughout the year.

Competitions include local triathlons and running races as well as national level competitions. We typically travel to 3 or 4 national level races per year.

We invite anyone interested to practice with us for one week free of charge with no commitment. We love seeing new faces and look forward to meeting you.
